Gracious Impressions is a glorious array of 40 sheer embroidery designs. These beautiful, vintage inspired designs, should be embroidered over sheer fabric and cut out to create beautiful three dimensional, free standing embroidery designs. They can be used for all projects, ranging from quilting, heirloom too garments and home dec.

These embroidery designs have been digitized to take advantage of a large embroider hoop 140mm X 225mm or larger. If you have a smaller hoop you will need to reduce the size of the designs using your design software.
